Congratulations to Lawrence Darrough, this is his first time being awarded Employee of the Month since joining the organization in January this year. LD loves SOMA because "there is unity here." Lawrence grew up in urban areas and feels at home in SOMA West because "when injustices happen either in the streets or amongst each other, we come together and we fix it." When it comes to working at SWCBD, he said that "there is teamwork, there is no one component greater than the other. We're all one, more of a family than a team." He became an ambassador after serving 27 years in prison and in his first year at SWCBD, Lawrence appeared at the top of the ambassador board three times, "this is a great way for me to give back to the community, SOMA West is the company for me." He now drives his dream car, a 2021 Dodge Charger, and enjoys playing soccer in his free time.
