

Monthly Operations Report

April 2020

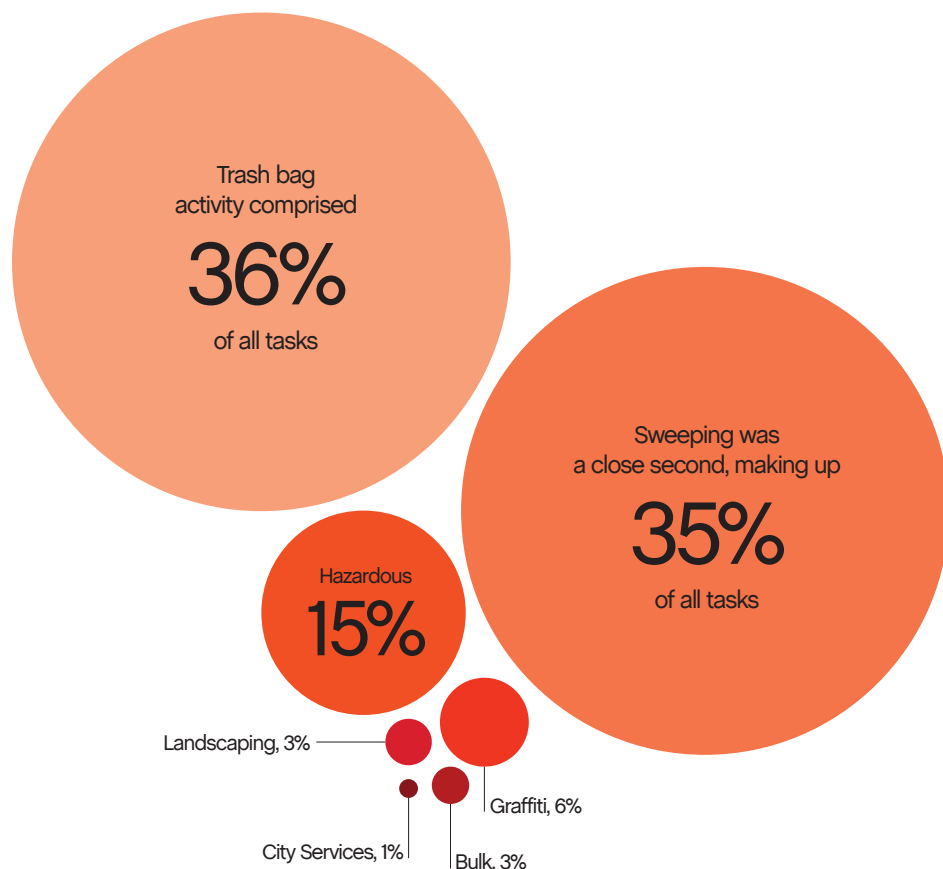

An aerial photograph of San Francisco, showing the city skyline, the bay, and the Golden Gate Bridge. The image is split into two main sections: the top right shows a wide view of the bay and distant hills, while the bottom left shows a closer, more detailed view of the city's dense urban landscape.

Trash bags filled up in 45 minutes, and were picked up in 19 minutes.

! Each trash bag covered about 1.2 miles.

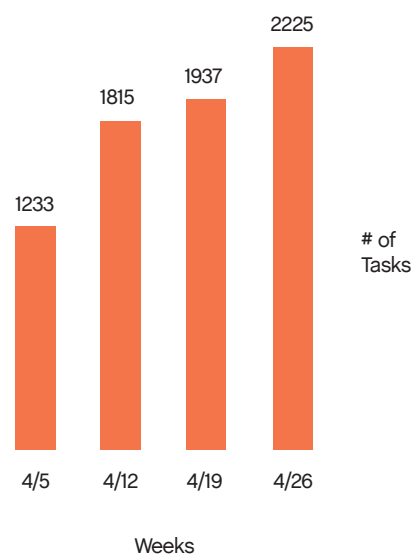

Sweeping

Sweeping tasks were assigned in 2 hours (when inbound), and completed in another 1.5 hours.

Tasks WoW

On average, task activity increased by **331 tasks** week-over-week.

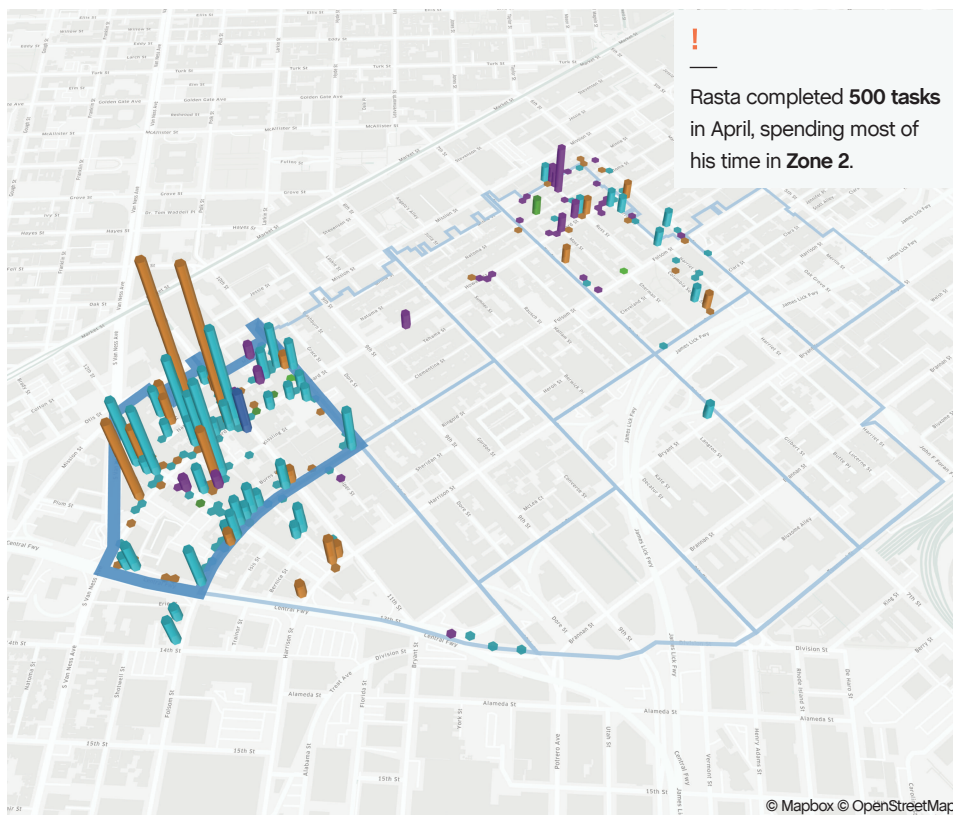

Edgar Green (Rasta)

Employee of the Month ★

Edgar Green (Rasta) came to us as a referral from Urban Alchemy. He is from Lafayette, Louisiana and loves to watch the History Channel. Since joining our team, he has proven his work ethic, he leads by example and is leading the team in various categories. When asked, "What's your favorite part about working in Soma West?", he replied, "I love that I'm able to work at my own pace".
